

IT Department

contexto da construção, como símbolos pagãos e profanos. Desta forma, pretendemos salientar a complexidade dos processos culturais durante a Idade Média, e os fenômenos de circularidade cultural que atuam fortemente neste período e que podemos analisar através da cultura visual. Levaremos em consideração a localização da igreja em uma

...
century. We highlight the presence of elements that demonstrate a strong cultural hybridity between Christian culture and ancient religious symbols, considered in the same context of construction, as pagan and profane symbols. In this way, we intend to highlight the complexity of cultural processes during the Middle Ages, and the cultural
